Dear Friends,

It gives us great pleasure to inform you that the Department of Neurosurgery, Neurosciences Centre, All India Institute of Medical Sciences, New Delhi, India is organising the **24th Annual AIIMS Microneurosurgery Workshop** from **10th -12th February 2022**.

The prime objective of the meeting would be to provide an atmosphere of education through interaction and technology. During this workshop, delegates will get to participate in many hands-on teaching exercises, attend didactic lectures and learn from masters. Live surgeries will be relayed from at least 3 operation rooms. A two-way communication will be available so that surgeon and participants can interact with each other.

Like every year, this year too the prestigious 32nd edition of the Sarveshwari Memorial Oration and 4th edition of the Prof. A.K. Banerji orations will be held. This year, Prof. Mitchel S. Berger (USA) will be delivering the Sarveshwari Oration online. Prof. Berger is world renowned neurosurgeon for his seminal work in the field of glioma surgery. Prof. A.K. Banerji oration will be delivered by Prof. S.K. Gupta. He is Head of the Department of neurosurgery in PGI Chandigarh. Prof. S.K. Gupta is a teacher par excellence and is known for his work in vascular and onco-neurosurgery.

Details of the Scientific Program will be available at our website: neurosurgeryaiims.com. We would strive to make your stay in Delhi pleasant, comfortable and most of all educative.
